

Elevator

## Trulift 8S

### Product information

Higher strength  
Lower stretch  
Uniform diameter  
Good diameter retention  
Improved fatigue performance

**Tolerance** more than 10 mm: 0% - +5%

**Tolerance** less than 10 mm: 0% - +6%

**Features:** High quality steel core lift rope

**Material:** High Carbon Steel

**Marking:** According to standard, On Termination ID and CE mark

**Finish:** Ungalvanised

**Standard:** EN 12385-5

**Fill factor:** 0.59
